

**2260.01 - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON
DISABILITY**

The Marquette Area Public Schools does not discriminate against any student having a disability, a record of having had a disability, or who is otherwise regarded as having a disability. The District will, as required by law, attempt to locate and identify each student within the District's jurisdiction who may be an eligible student with a disability under Section 504 of the Rehabilitation Act. The District will evaluate each student identified under Section 504 and provide each eligible student with a free appropriate public education as defined by law.

The Marquette Area Public Schools will comply with the requirements of Section 504 and the Americans with Disabilities Act. To that end, the Board of Education hereby directs the Superintendent to enforce and implement the Marquette Area Public Schools Section 504 Manual for Identifying and Serving Eligible Students: Policies, Guidelines, and Forms, which has been approved by the United States Department of Education, Office for Civil Rights.

The District does not discriminate against any person based on any other legally protected characteristic. Other District publications and policy documents should be consulted to obtain details about those prohibitions and the means by which an internal complaint or grievance may be filed.
